# Photography Workshop

Photographers of all skill levels are welcome!

## Photo Opportunities:

You will have the opportunity to photograph birds-of-prey in a beautiful natural setting. The birds are tethered at the edge of a large field, with a great deal of attention given to props, perches and backgrounds. The workshop is under the direction of Steve Gettle, a nationally known, well published, professional nature photographer. Steve donates his time and knowledge of the fine art of nature photography to benefit the participants.

Each workshop will last four to five hours and will include a great lunch!

Arrive at 11:00 am for an hour long presentation and discussion session with Steve.

Arrive at 9:45 am for a guided tour of our Wild Wonders Wildlife Park for an additional fee.

Photographers of all skill levels are welcome, but please have working knowledge of your equipment.

## What to bring:

- A 35mm SLR or Digital Camera
- A stable tri-pod that reaches eye level
- Extra camera batteries
- DRESS FOR THE WEATHER!!

## Cancellation Policy:

Sold out shoots have forced us to institute a cancellation policy. There will be a \$7.00 charge to cover the cost of food prepared unless we are notified 48 hours in advance. Refunds will be assessed a \$3.00 office fee.

Emergency situations will be handled on an individual basis.

### Advance Registration Required!

Space is limited! No registration at the door!
